

Student Identification Badges 2025-2026

All students were provided with their own personal identification card. At any time, a student may purchase additional identification cards for \$5.00. Payment for additional cards may be given in person to the School Banker. New cards will be printed in the Student Success Center (SSC).

Students are expected to wear their school identification badge while on campus. Their ID should be on a lanyard around the neck and readily visible. This is part of LVA's dress code as well as a CCSD mandate. Failure to wear an identification card will result in the following consequences. Again, students have the option to replace or purchase additional identification cards at any time. Students out of compliance with CCSD's identification mandate will not be admitted to class and will be sent to the SSC to purchase a new card (see above).

First Non-Compliance:

Report to SSC - **warning** of dress code violation (entitled 1st Offense ID Badge), added to Student ID Request Form, and a temporary badge will be provided if forgotten. If lost, student will be charged for a new one.

Subsequent Non-Compliance:

Subsequent violations (2+ warnings) will be subject to a \$5 fee for a badge re-print.

2nd infraction	\$5 re-print
3rd infraction	\$5 re-print and parent contact - warning of Insubordination
4th infraction	\$5 re-print , Insubordination, and Lunch In-House
5th infraction	\$5 re-print , Insubordination, two Lunch In-Houses, and warning to student and parent of full day of In-House
6th+ infraction	\$5 re-print , one-day In-house assignment

Cumulative identification badge infractions will reset at the beginning of each new semester.
