DUE FRIDAY APRIL 19!

To ensure that all members of the Clark County School District (CCSD) senior class experience the culmination of their academic journey and enjoy a lasting memory of accomplishment, we are reminding students and families about the high school graduation guidelines for participating in the commencement ceremony. Participation in your graduation ceremony is a privilege extended to all CCSD senior students who have fulfilled the requirements for the completion of high school as of the date of the ceremony. **Thus, all seniors must read, review with a parent or guardian, and agree to the guidelines. [The senior must complete the form through their CCSD Google Account.]** *Failure to complete this required form below by April 19, will jeopardize participation in the 2024 ceremony.
