3 - Please select "Use Normal Login" if you already have an account, or think you might have one. You can follow the prompts under "Forgot Password" to set a new password. If you are new to LVA, please register a new account following the "Register" link. *If you have already purchased a PFA, please log into your existing account to complete your FOLVA Package purchase.*

4 - Once you are logged in, your name should appear in the upper right and you can select a performance from the calendar.

5 - When you select an event, a popup screen appears and you should see "Package Eligible" above the time for the event.
