

Dear Las Vegas Academy of the Arts families,

I am thrilled and honored to introduce myself as the new principal of LVA. Please be assured that I am committed to continue fostering a learning environment that celebrates your child's creativity, artistic expression, and academic excellence.

A native of Las Vegas, I am joining the LVA family with 26 years in education, including the past 7 years as the principal of K.O. Knudson Academy of the Arts. Before my appointment as a principal, I was an assistant principal here at LVA. I have also served as a parent representative on LVA's SOT since 2016. On a personal note, all four of my children attend, or are alumni, of LVA so I understand the demands on families as well as the resources needed to assist parents to be effectively engaged in their children's education.

The arts have the unique ability to inspire, challenge, and uplift individuals and I cannot wait to get to work with our dedicated staff, passionate students, supportive parents and engaged community members. Only together can we ensure LVA remains a creative and nurturing environment where dreams are realized.

I am eager to connect with each of you and welcome your thoughts and ideas as we work together to shape the future of Las Vegas Academy of the Arts.

Thank you for entrusting me with the privilege of leading this exceptional institution.

Here's to an exciting and successful year ahead!

Sincerely,
