FIRST

You must graduate with a diploma from a Nevada public or private high school**

GPA

You must finish high school with an overall 3.25 GPA for all coursework, or receive a qualified score on a college entrance examination.***

Finally, you must have completed the minimum core curriculum requirements:

HIGH SCHOOL COURSES	UNITS
English	4
Math (including Algebra II or higher)	4
Science	3
Social Studies and History	3
TOTAL	14

RESIDENCE

You must have been a resident of Nevada at least two of your High school years.

For the class of 2016 and **beyond**, the Nevada Board of Regents established the minimum score as follows:

⚡ SAT

- Students who take the SAT **before** March 1st of 2016 must obtain a combined reading and math score of 990 or higher.

- Students who take the SAT on March 1, 2016 or later must obtain a combined reading, writing and math score of 1070 or higher.

- Students who take the SAT on March 1, 2016 or later must obtain a combined reading, writing and math score of 1070 or higher.

⚡ ACT

- Students must obtain a combined score of 21 or higher.

All requirements for the scholarship are outlined in both *Nevada Revised Statutes* Chapter 396 and the NSHE Board of Regents *Handbook and Procedures and Guidelines*. Access to these documents can be found on-line at NVGMS.gov.

+++ *All requirements must be met by the time of high school graduation.*

*This information is subject to any changes in State law, policies adopted by the NSHE Board of Regents, availability of funding, and any related matters thereto.

**Applications for students who did not graduate from a Nevada public or private high school can be found on the Millennium website www.nvgms.gov.

***A qualified SAT/ACT score only replaces a GPA below 3.25. Students are still required to meet the other requirements.

MAINTAIN ELIGIBILITY

● To receive the benefits of the Millennium Scholarship Program, you must enroll in an eligible institution of higher education in Nevada.

● It is important to remember receiving a Millennium Scholarship does not guarantee your admission to any institution.

After your admission to an eligible institution, you must meet the following requirements to receive and maintain the benefits of the scholarship:

● Enroll each semester in a minimum of 9 credits at a NSHE community college or 12 credits at any other eligible institutions.

● You must enroll in a program of study leading to a recognized associate degree, baccalaureate degree, or pre-baccalaureate certificate.

● You must maintain a 2.60 semester GPA for each semester until you complete a total of 30 credits. Starting in the semester in which you earn 30 or more credits, you must maintain a 2.75 GPA each semester you receive Millennium funds.

If you fail to meet the minimum requirements in any semester in which you receive funding, you will receive a strike and your scholarship will be suspended. Eligibility for the Millennium Scholarship can be regained only once by meeting all of the requirements listed above in a subsequent semester. Loss of eligibility a second time will permanently remove you from the program.
