Directors Note

Welcome to the Las Vegas Academy of the Arts' whimsical production of PUFFS! I find myself in a unique position as the director—once a student on this very stage, and now, humbled and thrilled to witness a new generation of talented performers bring their own magic to life.

PUFFS takes you on a backstage look into a certain school of magic we all know well. The remarkable cast and crew each embodies the true spirit of a Puff— a strong sense of justice, unwavering loyalty, hard work and dedication, and charged with magical energy from the heart.

The journey of creating this production has been a labor of love for all involved. The laughter that echoes through our rehearsals is a testament to the dedication and passion poured into every page of the script. As I stand on the opposite side of the stage, the memories of my own student days flood back, completing a circle of time that is both wild and heartwarming.

To everyone involved, I extend my deepest gratitude. Your commitment, hard work, and the uniqueness you bring to this production have made this a memorable experience for all. I am immensely proud to see you lead like true Puffs!

Enjoy the show!
