INTERNSHIP/AMBASSADORSHIP
OPPORTUNITIES

Sunrise Hospital Volunteer Internship

[Medical Explorer Program](#) (Click)

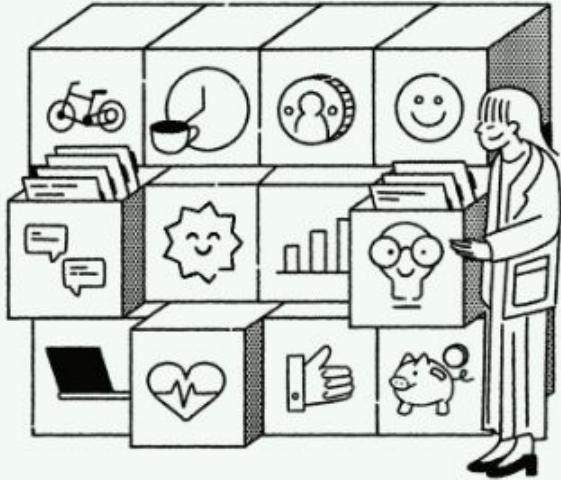

The Medical Explorer Program is for high school students 15 – 17 years old who are interested in Healthcare Careers. Whether you already know what occupation you would like to pursue or you have not decided on a specific career field yet, through the Medical Explorer Program, you will have the opportunity to learn about various careers, participate in hands – on activities and meet with dedicated healthcare professionals. The Explorer Program promotes personal growth through character development, communication skills, career planning and more.

Participants are required to attend 75 % of the post activities, complete 4 volunteer service hours per week during the school year and 8 hours per week during the summer. Explorers must also participate in one hospital service project and at least one community outreach event including: Health Fairs, Youth Education Events, Blood Drives, and more.

Activities during the post meetings may include: IV prep and starting of IVs, Medication Draw, IO-Drill, Lab Cultures, Tourniquet, Tour of Ambulance Base and Helipad.

Spots are limited, 25 Applicants will be accepted into the program.

Community Energy Ambassador Project

In the 2023-2024 school year, DRI will be hosting the Community Energy Ambassador Project. The goal of the project is to engage **high school students** to think about and share messages of energy conservation and efficiency with their local community. We are currently accepting participant applications.

If this sounds like an appropriate project for you and your students, click on the attached flyer to learn more and [click here](#) to complete the application form.

Thank you for considering this opportunity. If you have any questions, please contact Monica Gehrig at monica.gehrig@dri.edu.
